

Eric Maury of North Babylon was featured in a television show that News 12 taped in Wilson Tech's advertising art classroom. The feature followed Eric through his daily activities and included a discussion of his artwork with Tech instructor Linda Giery. Eric graduated this June from North Babylon High School and will enroll in Suffolk County Community College to pursue a business degree.

MARK YOUR CALENDAR!

Sept. 7

First Day of Classes at Tech
Hands-on activities abound! Tomorrow's professionals begin the career and technical program of their choice.

Sept. 27

Open House for Parents
Watch for your invitation. See Tech in action during either our afternoon or evening sessions.

October 20 PTA/Parent Day

Especially for parents! Watch for your invitation. Tour our programs, attend workshops designed for parents and then enjoy a gourmet luncheon prepared and served by Tech's Culinary Arts students.

A is for attendance

The first rule for doing well in school is a simple one: Your teenager needs to be there. Please help your child arrive to class on time each day. To schedule a family vacation, please consult the school calendar for days when school is closed. For your teen's future success, make attendance – and education – a priority.

Welcome!

At Tech, we take great pride in each of our students. This year Tech students were awarded in excess of \$250,000 in college scholarships and received advanced standing at colleges and universities throughout the United States.

We strongly believe that both our programs and talented, dedicated staff are second to none in the State of New York.

We look forward to meeting you during the school year. Call 667-6000, ext. 300 with any concerns!

Attention: 9th & 10th Graders

Starting this October, teens can explore options for the future in a FREE Career Exploration program. Students can participate in hands-on activities in digital photography to aerospace to culinary arts once a week from 2:30 to 4:30 PM. Transportation provided to and from your home high school and Tech's Dix Hills campus. Details at www.wilsontech.org/explorecareers. Call 667-6000, x 374 to register or contact your high school guidance counselor.

SAT Prep FREE!

Tech students can enroll at no charge to help prepare for the upcoming SAT exams. Taught by experienced Kaplan instructors. 12 twilight or evening sessions. FREE to all Wilson Tech students. Transportation available for the twilight session Sept. 20 to Nov. 3. Call 667-6000, x255 to register or for more information.

Non-Discrimination Notice

Western Suffolk BOCES' policy of non-discrimination is available at www.wsbores.org/policies. The coordinator of compliance with Title IX and Section 504 of the Rehabilitation Act of 1973 (as amended) is Helen Boggs Smith at 631/549-4900 x222.

Passed Five Regents Plus National Exams

20% of 2005 Grads Earn Technical Endorsement

The following students were awarded the Technical Endorsement seal on their high school diplomas at June's graduation ceremonies. Nearly 20% of the Class of 2005 from Wilson Tech earned this prestigious designation. To earn the Technical Endorsement students had to pass five Regents exams and a national certification exam in their chosen career field plus complete all Tech assignments with a 90% or above attendance rate.
