REFUND POLICY FOR PART-TIME COURSES

Refund Policy for Part-time Programs

1. If we cancel a course, all your fees are totally refunded.
2. If you cannot attend a class that has been rescheduled to a time or place other than advertised, you are entitled to a full refund.
3. If you withdraw from a class before the first scheduled class meeting, a full tuition refund, less a withdrawal fee of \$25, will be made after the withdrawal* is requested in writing.
4. If you withdraw after the first scheduled class meeting but before the second class meeting, one-half of the tuition, less a withdrawal fee

of \$25, will be refunded after withdrawal* is requested in writing.

NOTE: No refunds for any dance or fitness class after the first class begins.
5. All extra costs, such as books or equipment that were not included in tuition price, are not subject to refund.
6. We are unable to provide refunds for requests received after the second scheduled class meeting. Waivers may be granted only under extenuating circumstances which must be detailed in writing within five days of your last day of attendance. If a waiver is granted, it must be used within one calendar year.

Decisions to grant waivers are the prerogative of the WS BOCES administrator whose decision is final.

7. Any overpayment accepted will be totally refunded.

8. There is a \$25 fee for all returned checks.

9. Payments made with a credit card will receive refund credit on their credit card, however, any refund made after 120 days will be issued by WS BOCES check regardless of how tuition was paid.

NOTE: Every effort is made to provide a timely refund. Processing of refunds may take 45 days after your first scheduled day of class. Refunds will be issued by WSBoces

check or returned to the credit card used for purchase, if applicable. Our programs are supported entirely by student tuitions. No discounts can be provided. No cash payments will be accepted and no refunds will be made in cash.

**The date of withdrawal is the date/time your request is received at WS BOCES.*

QIGONG WALKING

Walking and breathing are essential to our physical movements through life. Learn how to apply principles of WuJi ("Posture of Infinity") and breathing into walking so you can conserve energy, build muscular strength and stability, and stay focused. With practice, you will see how this can integrate into every movement you make. After our Warm-Up and Rooting practices, our Walking QiGong exercises will include Moving WuJi, Autumn Harvest Basket and Crane Walking. Dress comfortably.

AVIATION MAINTENANCE TECHNOLOGY

FULL-TIME CAREER PROGRAM

With an aging workforce, three major metropolitan airports, six regional airports and numerous power stations on Long Island, opportunities for well-trained Aviation Maintenance Technicians are growing rapidly. This FAA-approved program, housed at Republic Airport in Farmingdale, provides hands-on experience to service, repair and overhaul reciprocating and turbine engines and components, airframe structures, instrumentation, and electrical and navigation systems. A partnership with Delta ensures our program offers the training on current platforms. Technicians with FAA Airframe and Powerplant certifications will find good salaries, excellent benefits and personal satisfaction in this exciting field. Financial aid and GI Bill® funds for those who qualify (see page 12).

Prerequisites: High School Diploma or equivalent is required. Prospective students must take an entrance exam and Mechanical Aptitude Test. Successful test scores, along with a formal interview, will determine candidate's eligibility for entry into the program. Call 631-752-1957 for info or tour.

COSMETOLOGY

Whether your goal is to generate supplemental income through part-time work or get a chair in a busy shop or a salon of your very own, enrolling in the Cosmetology program is your best first step. Learn care of hair, skin, scalp and nails as you accrue the hours you need to obtain your NYS license — and earn hair extension certification along the way — in our concentrated, year-round program. As you learn, you'll practice styling, color, perms, hair cutting, make-up and manicures on classmates and actual clients in our weekly clinic. Our program also includes Hair Extension Certification. Relationships with local salons bring professional cosmetologists experienced in the latest trends into our classrooms and afford our students opportunities for internships and entry-level jobs in their chosen field. The multi-part curriculum allows for flexible start dates so the time to start your new career is now. Financial aid and GI Bill® funds for those who qualify (see page 12).

DIAGNOSTIC MEDICAL SONOGRAPHY

Sonography is a key diagnostic tool for a broad array of medical disciplines. Our 24-month program focuses on OB/GYN, abdomen, vascular, echocardiography and breast ultrasound and integrates basic and medical sciences. As a key part of this course, students are placed in supervised clinical experiences in more than 30 diverse clinical sites spanning multiple healthcare systems and several independent agencies from Manhattan to Southampton. Successful completion of the program leads to a certificate that qualifies you to sit for Diagnostic Medical Sonography registry exams in Abdomen, OB/GYN, Vascular and Adult Echocardiography as early as 60 days prior to graduation. More than 95 percent of our graduates from the past five years are registered by ARDMS in one or more specialty. Financial aid and GI Bill® funds for those who qualify (see page 12).

PRACTICAL NURSING

Today more than ever Licensed Practical Nurses (LPNs) are a trusted and valued part of the health care team. LPNs work hand-in-hand with Registered Nurses and doctors to monitor patients, administer prescribed medications, collect vital signs and patient histories, tend bandages and perform health evaluations. We offer more than 15 diverse clinical opportunities across multiple healthcare systems and independent agencies. Students who successfully complete this program are eligible to sit for the National Council State Boards of Nursing exam (NCLEX-PN). Our graduates are highly sought by health care employers and our program is affiliated with a number of Registered Nursing programs, including those at Helene Fuld College of Nursing, Nassau Community College, Suffolk Community College, SUNY Farmingdale, Molloy University and Adelphi University. CENTRAL SERVICE TECHNICIAN

Central service is the engine that drives operating and procedure rooms at hospitals and medical centers and qualified technicians are critical to its successful function. Central service technicians prepare the medical equipment and supplies needed for surgery and medical care. They inspect, clean, disinfect, sterilize, assemble and store the tools for the procedures. This program covers each step in the central service process through classroom and laboratory learning activities and includes a 400-hour clinical internship at area hospitals. Students who successfully complete the program are eligible to take the IAHCSTMM certified registered Central Service Technician exam (CRCST). *Prerequisites: High School Diploma or equivalent.*
